CLUB NOTES

BARROW v

AUSTRALIA

Friday 15th October, 1982

Kick Off 7.30 p.m.

Tonight we give a very enthusiastic welcome to our guests from Australia We are sure of a bumper crowd this evening for what promises to be an entertaining game of rugby.

We know Australia will enjoy their stay in Barrow and they will leave Barrow with fond memories and equally the Barrow spectators, players and officials will be left with similar memories of the Australian side.

Australia have brought a powerful twenty eight strong tour squad to Great Britain which includes a host of players who will excite and entertain the fans.

The last time the Aussies played on Craven Park against Barrow was on Thursday 16th November 1967, the team on that occasion was as follows:-Tees, Burgess, Jackson, Hughes, Wear, Brophy, Knight, Halliwell, Thompson, Hopwood, Shaw, Thomlinson, Kirchin - Subs. Smith, Backhouse.

Despite the Australian's strong squad Great Britain are still optimistic of regaining the Ashes. Great Britain manager, Colin Hutton, has said that his side will be going into the Test Series full of confidence.

One of the secret weapons which the Aussies might launch is the 'Bomb' whereby ace full-back Brentnall would kick a high ball pin-pointed to a particular player in defence, while an Aussie forward such as Ray Price would launch himself on a 50 yard run and arrive simultaneously with the ball to devour the poor receiver.

Here's hoping for a good clean game and win or lose for players and spectators to have a very enjoyable evening.

The player of the match award for the game against Australia, has been sponsored by **Agrilek, Electrical and Instrumentation Engineers**, to whom we are deeply appreciative.

An autographed Match Ball has been kindly sponsored by the North **Western Evening Mail**.
